Y-You want to BUY my lady?!!

And make her your personal servant!?

I scoff at the very thought!
Throws!!

Wanting to make my lady serve you, who do you think you are?!
You beautiful bastard!
Picks up

It would seem, that you are not partial to the idea?
Of course I'm not!!

Oh well, Liu Liu let's go.

I needn't remind you that the next time your lady faints
you can forget about begging me for help, I won't lift a finger to help her.
And if some terrible misfortune happens to befall your lady it will be all her maid's fault.
Pressure!

It should be about 3 steps...
Wait!

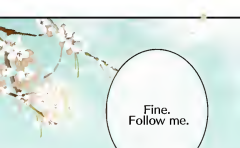
One,
two,

three.

Can you really cure my lady?! What if you can't?

I can guarantee that if I'm not able to cure her, there isn't anyone on this earth that can.

Oh...
Internal struggle
Internal struggle



Fine.
Follow me.

Should I really give out my lady's signature?! What if she wakes up soon? Then what?

Oh...

Hurry it up!

Miss, this is for your sake! I have to authorize this without your permission!

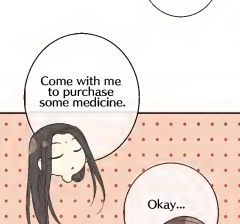
If it comes down to it, once you're cured we can run away together!
Presses

Excellent.

Liu Liu, take care of the contract.

Yes, young master!

Come with me to purchase some medicine.



Okay...

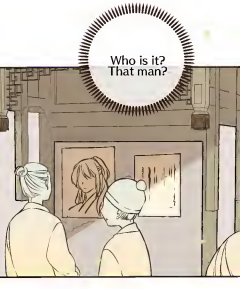
Bustling with activity
Huh?

Aye, is this wanted poster for real? Are there really mermaids here?
Mermaids?!
Perhaps this wanted decree could be a fake?
It's a man as well!
The reward for capture is 2000 gold, the officials sure have money to waste!
Didn't the mermaids already go extinct 10 years ago? This again...
Aye, I heard the pile of mermaid corpses was the size of a mountain...
Seriously! My god...
.....

What are you looking at?
Shock
It-it's nothing!
If it's nothing then let's go.
walks...

If that wanted poster is true then that means...

That means that in addition to my lady, there was another surviving mermaid?!



Who is it? That man?

Could he be someone I know?!
